Communication skills

He has excellent relational skills, as he guided work groups, associations (NGO) and research teams. Furthermore, He always travelled all around the world, in order to learn and to appreciate foreign cultures and new points of view.

He operated, and he currently works for humanitarian and NGO associations as Unicef, UNAIDS and ADMO.

He managed several communication campaigns for medical students, web campaigns and didactical simulations about microbiological and public health issues.

He has been speaker at the following events:

- Students and Evaluation in the Higher Education system, Turin, 02/11/2015
- ANVUR and accreditation process, Dental School, Turin, 11/11/2015
- Culture of Quality, different experiences, Pavia, 18/02/2016
- Meeting of newly elected student representatives, Turin, 31/05/2017
- I love ABIO- Association for Children in Hospitals, San Luigi, Turin, 16/11/2016 (EMSA)
- Beyond the Silence: against violence on women, San Luigi, Turin, 25/11/2016 (EMSA)
- Beyond the Idea: the Panoxyvir experience, San Luigi, Turin, 02/03/2017 (EMSA)
- Slow Medicine: doing more does not mean to do better, San Luigi, Turin, 25/05/2017 (EMSA)
- Health and Instruction in Cuba, with Aleida Guevara, San Luigi, Turin, 16/05/2017 (EMSA)
- Quality Assurance Laboratory, Ca' Foscari University, Venice, 25/11/2017
- Laboratory of Active Representation, University of Verona, 04/10/2018

(non-exhaustive list)

Organisational / managerial skills

He is the former President of SISL, a group of representative students for medical, nursery and health-related faculties.

He has been the city coordinator of one of the most important political parties in Italy (2009-2011), that made him very experienced in political business and management.

He has been testimonial for the campaign "Io come tu" for Unicef and promoter of ADMO (Donor of bone marrow).

In 2014, he has been the university coordinator of NGO "AIL", the Italian Leukaemia Association. Besides, he is the CEO and Co-Founder of Pentamed Health Organisation and Senior Member of Electo Radio, where he hosted a Medicine Programme called Electo-Cardiogramma, with the purpose of teaching people something about health in a likeable and smart way. The programme reached more than 8000 people with the first season (10 episodes)

From 2015 to 2016, he was founder, local coordinator and President of EMSA Turin, the European Medical Student Association. He organized several local activities as a congress about the virus Ebola, welcome activities for first year students and Twinning Projects with the Universities of Bucarest, Budapest, Essen, Berlin, Lublin and Thessaloniki, etc. All the activities related to EMSA until 03-03-2019 are available here: <https://goo.gl/arJx2B>

In 2016, he has been nominated in the Human Rights Committee as an expert member by the Regional Council.

He participated and directed several teams of evaluation since 2014.

Consultant for MIUR-ANVUR especially in evaluation, feedback, data analyse. Consultant for ENQA, EQAR, EKKA, AQU, ANECA and the French Ministry of Education in the area of evaluation, Quality Assurance and University policies.

He has been the founder and President of USL – Universitari San Luigi, a new student's movement into the medical faculty. He reached 200 votes and a satisfaction average mark of 9.3 out of 10, based on student's feedbacks.

He is the President of a local students' football team.
